

## Who are we?

With support from Canadian Military Veterans, real time data and support from a variety of partner groups VÉTÉLAN Veterans to Ventures is a Federally Incorporated, nonprofit with a mandate to serve Veteran's. Reservists and Military Families by providing unique opportunities for employment, training with real world applications leading to possible entrepreneurship opportunities.

## Mission Statement

The mission of VÉTÉLAN Veterans to Ventures is to guide Veterans, Reservists, and Military Families in converting service-built strengths into entrepreneurial success through expert training, mentorship, and purpose-driven support.

# OUR VISION

To empower Veterans, Reservists, and Military Family members through a national pathway into entrepreneurship that strengthens Canada's communities and economy.

VETERANS TO VENTURES

## Partnership & Employment Opportunities

VÉTÉLAN is excited to share that we have our first private sector partnership with **EverLine Coatings and Services Sudbury-Northern Ontario** and is now offering employment opportunities, inviting Canadian Military Veterans, Reservists, and Military Family members to apply.

EverLine Coatings and Services is a leading provider of line painting, asphalt maintenance, coatings, and property management services in the Greater Sudbury area. They are committed to delivering high-quality solutions with a focus on safety, innovation, and customer satisfaction. Their dedicated team fosters a culture of excellence, integrity, and growth.

The EverLine Sudbury leadership is now well positioned to offer a unique business strategy that would highly compliment its current position in the marketplace while leading by example when it comes to both incubating and serving Veterans, Reservists and Military Families in its business model and community.

## Recognitions & Projects

EverLine Coatings and Services, is dedicated to giving back and creating meaningful opportunities for Veterans, Reservists and Military Families. They are proud to be recognized across North America as a top franchise system that continues to lead by example. They look forward to working with VETELAN in the short and long term

EverLine has been involved in support of local Veteran initiatives for some time and has recently been recognized by the Canadian Forces Liaison Council (CFLC) as an employee partner of the With Glowing Hearts program, adopting a supporting policy structure that offers inclusive support to Veterans, Reservists and Military Families.

As a proud member of the Lockerby Legion Branch 564 in Sudbury the EverLine team has offered in-kind services for property maintenance and fundraising needs. One of their most recent projects involved painting a custom commemorative crosswalk in honour of those who served.

# Apply Today! - Current Opportunities

## Shop Manager

EverLine is looking for a **Shop Manager** to manage their fleet of vehicles and trailers, small engine equipment, air tools, welding and fabricating needs and much more. This position would be suited for a certified Mechanic/Millwright. The ideal candidate would work closely with the Operations Team to support the day-to-day needs of daily work crews.

Working with VÉTÉLAN the position offers a great pay structure, benefits, subsidies for travel or relocation to work in Sudbury, ON. This is a full-time position with advancement potential. EverLine may also have opportunities for family members associated with the right candidate.

## Autonomous Vehicle Operator / Surveyor

EverLine Coatings and Services is also investing heavily in an Autonomous Vehicle Program and are looking for skilled operator who may have AutoCAD and surveying experience. This program is a leading-edge approach how parking lots, roadways are managed.
